**"Mommy Teach me Spanish! Fiesta Friends DVD Vol. 2
"Que Duermas Bien - Sweet Dreams"
Receives a 5UP Review from Family Review Center"**

SEATTLE, WA – **March 21, 2006** Family Review Center announced today that Fiesta Friends has received a 5UP Review, for their product known as "Que Duermas Bien - Sweet Dreams" .

"This is a perfect rating for a perfect product", said the reviewer Laurie.

Studies have shown that children who learn a second language early in life, have higher test scores and higher cognitive skills, as they grow older. "Que Duermas Bien - Sweet Dreams" offers a new twist to the world of language learning, by offering videos relating to daily sequences. "Que Duermas Bien - Sweet Dreams" focuses on bedtime, and the phrases and words which are frequently heard at bedtime.

Reviewer Laurie says "When children see Spanish used in context for a familiar setting, it will not only make more sense to them, but it will be easier to pick up the phrases heard. This is exactly what we found with "Que Duermas Bien - Sweet Dreams". "

Using hand puppets, animated backgrounds, and real life children actors, this film grabs a child's attention, and allows them to focus on what is being learned. An adorable combination, and a lot of fun. Laurie said "My children were just waiting for the main character Fuerte, to show up again. This little Chihuahua has a mind of his own, and is a lot of fun to watch throughout the video."

From songs, to numbers, and then on to like "a la cama" (time for bed) – there is a lot of learning packed into one DVD. This is one of many to come in a great series. Spanish that makes sense. This video will capture the minds of 2-7 year olds, and will teach them the love of language learning.
