FOR IMMEDIATE RELEASE: August 8, 2007 – Seattle, WA

Serena Phillips of The Family Review Magazine & Review Center announced today that Ruk*Shuk has been selected as a recipient of the prestigious PLATINUM Award!

Ms. Phillips explained the Platinum Award as being a mark of distinction, being given only to the highest of quality products reviewed at the Review Center.

“Ruk*Shuk [rukshuk.com] is such a fascinating and new edge game that captivates players and can frustrate them to no end [which is half of the fun!] ... It just had to be placed on a pedestal for its noted difference from the norm.” noted Serena.

She went on to add “Ruk*shuk challenges players to build what is shown on the played card... The catch is this – you build it using oddly shaped ROCKS! Each rock has its own value based on the challenge of the shape designated by a color. Each turn all players blindly choose 7 new rocks to build with, so the challenge continues all throughout the game and no one has a chance to get comfortable with their play pieces. It is an absolute riot!”

Family Review Magazine reviews products for companies worldwide and is a leader in quality, family friendly reviews. “We let our viewers know about the best products being brought to the marketplace, and share our great finds with them in a personal, and unbiased manner. Because there is no charge associated with our reviews, we can tell the truth. Our viewers appreciate and respect this.” Shared Chris of the Review Center. “Our magazine then highlights the winners of our awards, and is distributed nationwide.”

Ruk*Shuk is offered by Zabazoo Corp out of Toronto Ontario and comes highly recommended.
