FOR IMMEDIATE RELEASE: August 8, 2007 – Seattle, WA

Serena Phillips of The Family Review Magazine & Review Center announced today that the game Oikos has been selected as a recipient of the prestigious PLATINUM Award!

Ms. Phillips explained the Platinum Award as being a mark of distinction, being given only to the highest of quality products reviewed at the Review Center.

"Oikos, by Oikos Global [oikosglobal.com] brings to the family game table a tool for helping parents and children talk openly about subjects that are sometimes hard to approach, without such a help." Noted Serena. "Parents are always looking for a way to speak to their children about the pressures they face at school and the many challenges that come in life, yet they struggle to find a good way to help their children open up and truly share honestly. Oikos achieves this by setting the stage for a non-confrontational format for all to share openly, and allows parents to be one step ahead in the parenting game." She added.

She went on to add "The Oikos Game is not only enriching to the family circle, it is fun! This is mission critical if we are to use it to its full potential. The makers of this game used great forethought in making an inspiring, enriching and provoking game. We give them 5 up for mission accomplished!"

Family Review Magazine reviews products for companies worldwide and is a leader in quality, family friendly reviews. "We let our viewers know about the best products being brought to the marketplace, and share our great finds with them in a personal, and unbiased manner. Because there is no charge associated with our reviews, we can tell the truth. Our viewers appreciate and respect this." Shared Chris of the Review Center. "Our magazine then highlights the winners of our awards, and is distributed nationwide."

Oikos Game is offered by Oikos Global and comes highly recommended.
